

SIMPLIFYING CLAIMS

Your administrative needs are as unique as your claims –
We'll reimburse your claims accurately and on time

Comprehensive Claims Service

We have the experience to handle all aspects of stop loss and reinsurance claims functions. We can support the most sophisticated operations or startups.

Peak Load & Complex Claim Coordination

HRMP is your partner during those peak volume times. We'll be there to ensure that your turn-around time and accuracy goals are met.

Captive Claim Submission Coordination

HRMP's team pulls together and reviews all relevant claim documentation and presents clean claim submissions and notices to excess reinsurers.

Aggregate Stop Loss Claim Audits

Our team reviews TPA calculations of aggregate excess claims in-house or on-site and makes recommendations ensuring compliance with plan, policy and other requirements.

Back Office Services

HRMP can support your organization's A&H business by offering a turnkey solution for premium administration, claims administration, policy issuance and even actuarial support.

Since 1990...Our success can only follow yours.®
