

SIMPLIFYING ADMINISTRATION

Focus on your strategic advantages – outsource administration and reporting

Policy Issuance

Issuing policies requires attention to detail and coordination among agents, brokers, and carriers. Our specialists will get your applications and policies issued quickly and correctly the first time.

Banking

Timely premium processing, commissions and expenses, cash flow management, cash calls, and loss funds management can be a distraction from your day job. Let HRMP make sure cash gets where it needs to go by when it is due.

Premium Billing and Collection

Whether through dedicated lockbox accounts, ACH, or wire transfers, we'll collect, distribute, and account for premium on your timetable.

Claims Processing and Payment

We'll handle all claims-related services from 50% notices and eligibility verification/validation to benefit determinations, aggregate claims audits, and claims payments. Just want advice to pay? No problem.

Reporting

We'll deliver the reporting both you and your clients need as frequently as needed.

Since 1990...Our success can only follow yours.®
